The late headquarters began his professional life in academia, teaching at Northwestern University, the University of Chicago and the University of Hawaii. Elizabeth C. From 1947 to 1961, Arnason was a professor and chair of the Department of Arts at the University of Minnesota. Arnason was an outstanding aTo buy MySearchlab, please visit: mysearchlab or you can purchase ValuePack text - MySearchLab: Valuepack ISBN-10: 0205955517/ ValuePack ISBN-13: 9780205955510 . It traces trends and influences in painting, sculpture, photography and architecture from the mid-nineteenth century to the present. Learning GoalsUpon complete this book, readers should be able to: Understand the origins of contemporary art To provide analysis of works of art based on formal and contextual elements Recognize the impact of social conditions on contemporary art NOTE: MySearchLab does not come automatically package with this text. The seventh edition deepens its discussions about the social conditions that have affected the production and the rit is clearly written and works towards careful consideration of the topic rather than superficial analysis. The best text for a course in contemporary art. - Cynthia Fowler, Emmanuel College Comprehensive, in-depth study of relevant stylistic changes in the history of modernism; High-quality photographic reproductions; Fundamental investment in the discussion of objects based on their own evidence; willingness of the text and the author (s) to adapt with time. - Mysoon Rizk, University of Toledo I am pleased with the inclusion of more women and artists of color and with context, technique and source boxes . Need to update the classic text It's a classic text, once written from a traditional male point of view, so it's a bit politically out of touch. Now it has been updated by a more modern scientist to add a more postmodern perspective. Mansfield did so without denying Arnason's initial achievement in clarity and accessibility. A very thorough look at the 20th year. A good book book was a requirement for an art history class. I find it full of useful information on history, even if your not in college-level classes and would like a book for fun. Lots of clear photos and displays along with information about artistsI would buy more books if ever needed. Cindy Tibbits said the book is needed for college. The book needed for a college class - the book arrived quickly and was returned after use. H. H. Arnason, Elizabeth K.
